RESPONSE TO OFFICE ACTION

Sir:

Responsive to the Office Action dated 21 June 2004, there is enclosed herewith a set of three (3) sheets of formal drawings identified as Sheets 18/25, 19/25, and 20/25, corresponding, respectively, to Figs. 20, 21 and 22.

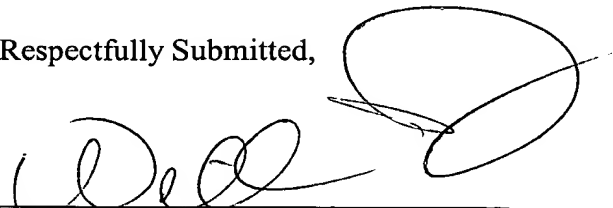

A set of these formal drawings is enclosed under a cover letter directed to the attention of the Office Draftsperson, and also includes a list of the drawing changes from the informal drawings as originally submitted.

None of these changes constitute new matter, but are being made solely to correct pencil and non-black ink, margins, and typographical errors.

This application is believed to be in *prima facie* condition for being revived under 37 C.F.R. § 1.137(b). While it is not believed necessary to file a Petition for Reconsideration, should the Petitions Attorney be of the opinion that it is necessary to file a Petition for

Reconsideration, please accept this Response as being a Petition for Reconsideration, and charge any fees relating thereto to Deposit Account No. 13-2166.

Respectfully Submitted,

A handwritten signature in black ink, appearing to read 'W. E. Johnson, Jr.', is written over a horizontal line. To the right of the signature is a large, loopy, handwritten flourish or mark.
